Re: *Chiquita Fresh North America, LLC v. Long Island Banana Corp.*;
Case No. 14-cv-982

Dear Judge Spatt :

We represent defendants Long Island Banana Corp. ("LIB"), Suffolk Banana Co., Inc. ("Suffolk") and Thomas Hoey, Jr. in the action-captioned above. We write to clarify a statement in our prior letter filed earlier today [Docket No. 194]. At the time that we submitted the letter to the Court, we operated under the good faith belief that negotiations with the landlord at 26 Williams Street and with another party for the purchase of assets of Suffolk were ongoing and that offers in connection therewith were outstanding. We have been informed by counsel for the landlord and counsel for the party negotiating the Suffolk asset sale that their offers have been withdrawn. There are currently pending negotiations with other parties for the sale of the assets of LIB and/or Suffolk.

Respectfully submitted,

Robert L. Rattet
